***Proposal to Request to Modify the "Chester Plan of Conservation
and Development"
Town of Chester, Connecticut***

Specific Modification Requests:

Chapter 4 ECONOMIC DEVELOPMENT

Pg 4-9, Item 7, line 1: After the word "appropriate", add the phrase "and where no municipal sanitary sewer connection is available".

Chapter 5 HOUSING

Pg 5-13, Item 4, line 3: After the word "systems", add the phrase "where no municipal sanitary sewer connection is available".

Chapter 6 SERVICES AND INFRASTRUCTURE

Pg 6-27, Sewer/Septic/Alternative Systems, paragraph 2, line 5:
After the sentence ending with the word "systems.", add the following sentence. "This resulted in an inter-municipal agreement by and between the Towns of Chester and Deep River signed on August 13, 2005, an amendment to the "Wastewater Planning Study Report", implementation of the sewer connection to the Town of Deep River becoming operational on January, 2009 and the elimination of the Chester Village Community Septic System."

Chapter 9 RECOMMENDATIONS

Pg 9-6, Item 7, line 1: After the word "appropriate", add the phrase "and where no municipal sanitary sewer connection is available".

Pg 9-10, Item 13, line 2: After the words "outside the", delete the phrase "Village Center".
