UPDATE FROM SELECTMAN'S MEETING

None of the Selectwomen were present at the meeting. The Library Committee discussed the recent BOS meeting. The North Quarter Park Development Committee is currently in a "holding pattern" until the BOS determines the next steps of the project.

The BOS determined that the Good Building was not an option for the library.

The Library Committee plans to attend the next BOS meeting to discuss next steps.

SCHEDULE MOVING FORWARD

The Committee will request permission from the BOS to collect pledges from local businesses and individuals to potentially make the final cost of the North Quarter Park development project lower and more affordable to citizens of the town.

There is also brief discussion on the possibility of scheduling additional informational presentations to the public.

NEW BUSINESS - None

ADJOURNMENT

Terry Schreiber made a motion to adjourn the meeting at 7:45 p.m. Steve Tiezzi seconded the motion. The motion passed unanimously.
