Notice of Public Informational Meeting
Main Street Project, Phase 3
Thursday, February 22, 2018
Chester Meeting House, 4 Liberty Street, Chester, CT
at 7:00 PM

There will be a Public Informational Meeting on Thursday, February 22, 2018, at 7:00 PM at the Chester Meeting House, 4 Liberty Street, Chester, Connecticut. This will be a presentation of the Main Street Project, Phase 3, between the recently completed D.O.T. Bridge and Laurel Hill Cemetery and also going up Maple and Spring Streets about 300 feet. This will include redoing municipal improvements in the Village Center, replacing entire road bed, curbs, sidewalks, plantings, lighting, benches, bicycle racks. The drainage will be changed as the present system is inadequate for preservation of Chester Cove. It is hoped the majority of the project will be paid for by State Transportation Funding. This is a continuation of the Master Plan that was completed and approved by the Town several years ago.

Michael Joplin, Chairman
Main Street Project Committee
