**Director's Report:**

- Ms. Netsch reported that flood repairs at Cedar Lake are ongoing. Topsoil and grass is going to be added to the beach above the boardwalk, between the Snack Shack & the Parks & Rec Shed.
- Ms. Netsch reported that Parks & Rec Summer Camp was successful once again, and that planning has begun for 2020 Summer Camp.
- Ms. Netsch reported that lifeguards were having trouble with patrons for the Sunday night concerts arriving early and without beach passes. As a result, the Commission is considering a change in lifeguard hours for Sundays in 2020 to end at 5pm, as opposed to 6pm, so there is no crossover or conflict.

**Chairman's Report:**

- Updates on North Quarter Park Renovations include:
  - An updated timeline of installation of the basketball court. The pavements will hopefully be put down this Fall, but possibly Spring. The court will then be sealed and lined.
  - Backstops will hopefully be installed this Fall. The commission is reviewing backstops for purchase.

- The course has been mapped for Disc Golf, and the brush on the court will be cleared this Fall-Winter.
- John Williams will provide a visual aerial layout of the disc golf course at the next Commission meeting in October.

**Next Meeting:**
