Chester Inland Wetland and Watercourse Agency
Site Walk Minutes
87-89 Main Street
September 19, 2020, at 9:00 AM.

Present: Bill Barnhart, Eric Davison, Sally Sanders, Anna Sweeney; Michael Jordan and Joosje Van Roode, owners.

The owners described the project. They showed the area and the rock they want to use. They have planned to use cement to anchor the rock and may use filter fabric. They said that there is a lot of rubble and debris in the stream. The back of the lot was observed. The stream channel would be maintained. The possibility of stump grinding was mentioned.
