The Town of Chester took the following action at a Special Town Meeting held on Thursday, April 7, 2022.

1. Authorized the following Capital transfer, as recommended by the Board of Finance:

From	20-00-30-0000-030	Highway Equipment	\$100,000
To:	20-00-31-0000-460	Chester Creek Dredging	\$100,000

2. Authorized the expenditure of \$100,000 from the Capital Fund – Chester Creek Dredging line item 20-00-31-0000-460, as recommended by the Board of Finance.
3. Consented and approved with amendment, due to the cost increase since December, an appropriation of up to \$98,480 to be allocated from the American Rescue Plan Act Funds (ARPA) to repair and replace aging sanitary sewer system infrastructure as requested by Chester’s WPCA. The projects include replacing and rebuilding the sewer line behind 43-65 Main Street, replacing and rebuilding the sewer line from Water Street to the pump station, and installing monitoring equipment and generator back up connection at the pump station on Water Street.
4. Consented and approved with the amendment to go out for bidding, an appropriation in an amount not to exceed \$60,000 to be allocated from the American Rescue Plan Act Funds (ARPA) for upgrades to technology at both the Town Hall and Chester Meeting House to allow for remote and hybrid meetings, presentations, and connectivity and access to the internet as a result of changing communication and community support needs, due to the public health and safety considerations from the COVID pandemic.
5. Consented and approved an appropriation in an amount not to exceed \$83,000 to be allocated from the American Rescue Plan Act Funds (ARPA) for necessary upgrades in infrastructure technology to support the police body cameras and car dash cameras.
